

Why not share the magic and love of Christmas with a family you haven't met?

Bring huge smiles to their faces and joy to their hearts.

There are over 200 asylum seeking and refugee children living in North Staffordshire.

Many of the children that we support have witnessed the most horrific unimaginable things on their journey to the UK. They have experienced war and extreme levels of poverty.

They have left loved ones behind and lost others, many face an uncertain future and continue to live below the poverty line in the UK.

Please donate new toys and gifts to Asha's Christmas Appeal.

We distribute present to children from the ages of 0 to 18.

You can deliver gifts to our centre on Cooper Street, in Hanley on Wednesdays and Thursdays between 10am and 12 noon.

Alternatively contact Ryn to arrange a mutually convenient time to deliver 07498928617 Ryn@asha-uk.org
